FOR GOVERNOR

GEN. WM. F. PACKER, Of Lycoming County, POR CANAL COMMISSIONER

NIMROD STRICKLAND.

Of Chester county.

## Fraternity of the North and South.

We are aware that when we contend that friendship, amity, and brotherly love, this foolish and miserable prejudice, which pointment of our townsman, James G. should exist between the people of the we have against their bringing their do- Campbell, Esq., as Marshal of the Wes- Clinton, Lycoming, Center and Union North and South, giving their legitimate mestic servants with them. So far as we tern District of Pennsylvania. President Snyder, Northumberland, Montour and truits of kind offices and benevolent acts, are concerned, in the abstract, what is the Buchanan has made no better appointment. Cumberland, Perry, Juniata and Mifflin, we expesse ourselves to both denunciations and censures. We are denounced by the know, is, that the slave is the most orderly ment; and to our friends abroad we can York, obtuse and fanatical abolitionist, and cen- and well behaved. We do not want slaves say an honest and a descrying man has Adams, Franklin and Fulton, sured by the timid time-serving politician, ourselves, because our fathers found they been appointed. The applicants for the who cares more for the Liumph of his were not profitable. But, if our Southern Marshalship, from other counties were Indiana and Armstrong, party, than for the prevalence of true brothren prefer them, let them bring their men of character and merit, and the conprinciple and unquestionable justice.

true spirit of friendship and fraternity home. It will not add another slave to the complimentary to him as it is evidence of Confederacy. Once it did exist, Before our legislative enactments, secure to our his new duties he will bring considerable and during the Revolution, the people of Southern brethren the right of travelling experience, and that a faithful, prompt these two sections of the Union, were a and sojourning temporarily among us with and attentive performance of them may be tenited and a friendly people. They were their domestic servants. engaged in a common cause, and exposed As we said, on a former occasion, this Mr. Marshal Campbell's appointment, is Delaware county, to common dangers. They were involved liberal policy would be advantageous to the brothers they slept the sleep of death to- would, in time, build summer residences the 15th of next June. gether in one common grave, upon the on the shores of our beautiful rivers and same field of strife, after the battle was lakes. They would spend their money lost or won. They thought, then, only of freely. And we should profit much by their country, its liberties imperiled, and their intercourse and society, And, the great been for which they mutually beyond all, and above all considerations pledged their lives, their fortunes, and it would tender more than all other causes their sacred honor. That was true fra. put together, to cement and consolidate this but it cannot fail to operate seriously their sacred honor. That was true fra. put together, to cement and consolidate this but it cannot fail to operate seriously against the interests of society hereafter ternity. It achieved the liberties of the great Republic of Sovereign States. Republic, and founded its independence. Let such a state of feeling be cultivated

But, after the great battle for freedom would be no more efforts to extend the inwas won, new interests grew up; changes stitution of slavery into territory north of which resulted in the arrest of the fugitive. in the domestic institutions of some of the the old line of the Missouri Compromise. States took place; suspicion, jealousy, and We would have no more Kansas controverrivalry, saperseded the kindly and friendly sies. We believe the people of the South rivalry, saperseded the kindly and friendly sies. We believe the people of the South upon with suspicion—as a gull trap, to relations which existed during the period would be content with their own natural deceive the people. Those who offered the of common danger; and aerimony, denun- development southward, leaving the tem- reward and now meanly skulk behind an Blair, ciation, and estrangement have followed, perate regions of the North and West, to irresponsibe hand-bill, are base scoundrels, ustil the people of the North and South, be planted by the institutions of the free instead of regarding each other as friends States only. This unfortunite controversy and brothers, stand in battle array, threat- respecting Kansas, in our opinion, has and Koons are entitled to the reward, and ening hostility and warfare against each grown more out of belief on the part of other, at the hazard of the destruction of the people of the South, that it was neces- should be compelled to pay it, because the this great and glorious Union, and the sary to forcify themselves against the ensplended superstruction of civil government croachments of the fanaticism of the North. than any real desire to possess that territory. which their fathers jointly founded,

What has produced this unfriendly feel. Let the North convince them that their ing, and this outward and perilous state of domestic institutions are not in danger, things? We hesitate not to say, that it and that their just rights under the constiproceeds entirely from the injudicious and tution will be secured to them; and this unjustifiable interference; by a portion of struggle for dominion north of the true the people of the North, with the domes ic institutions of the S ath. All who have watched the rise and progress of this controversy, cannot fail to be convinced, that, by the abolitionist and censured the first aggressions touching the subject of by the tender and timid politician. But, slavery, came from the North. At the we have uttered the words of truth and birth of the Republic, all the States, with a justice. We have expressed the sentiments, Meeting of the Columbia County Agsingle exception, possessed the institution upon the prevalence, only, of which, can of slavery. Then there was no crusade peace, harmony and fraternity be restored preached up by the fanatics of the North to our beloved country. It is, in our judgagainst the institutions of the South. In ment, time for the candid and reasonable the lapse of time, because slavery was not men of the North to look this matter full in at 2 o'clock, P. M., of Saturday, May 23d profitable in the northern States, and not the face. It is time for the men of wealth, inst. from any superior philanthropy, sympathy lence of order and tranquility, to set their for the negro, or love of justice and humanity, the institution was abolished in the forces sternly against this spirit of fanati-North. And, as the northern States got cism, which threatens to introduce the reign Esq , was appointed Secretary pro tem, rid of it, the spirit of fanaticism upon the of anarchy and chaos into society. Let subject, began to grow and increase, until, such men who claim to be conservatives, not content with the fancied good it had plant themselves upon the side of TRUE done at home, it began to meddle with the CONSERVATISM, -that conservatism which affairs of the people of the South. And protects the liberties of the people, the order this spirit of fenaticism, although blind, and of society, the institutions of the governwithout reason, would have done no great ment, and ensures the true progress of the mischief if it had not fallen into the hands country. of unprincipled political demagogues, who saw in it the ladder to power and place -Under their nurture it has grown to be a formidable danger, and menaces the peace sale of the Main Line of the public works, premiums and other expenses the By this one act he has disgraced himself and integrity of the Union.

The position of the South with regard in the eyes of all honest men and rendered to this unfortunate controversy, has been himself obnoxious even to the most corrupt one of defence and resistance. They have and treacherous of his party who elected Total paid and to be paid out . . . contended for the right to be let alone in him. Had he refused to sign that bill, he Then I have received, ...... 123 14 dence of the flood, as the channel, has been the enjoyment of their own institutions, would have at once established a name and for the enjoyment of the rights conce. that would have lived for ages after himded to them in the great COMPACT OF UNION, unborn thousands would have pointed to the constitution of the United States. It Pollock as a model Governor. But alas, is very probable that the fact that their the money power wields too great an ininstitutions had been assailed by the fa. fluence. Pollock could not withstand the natics and political demagogues of the tors who disgraced themselves by voting alected and other business of importance will be the breach. Respectfully.

W. R. Maffir. for their defence, which perhaps may be for the bill to be pointed at as a thing that transacted, te regarded as unreasonable. But, they had an existence-no end but mischieffind ample apology in the unjust and of no reputation. He will retire from his senseless crusade against them, preached high place unhonored—with a mark upon up by a portion of the people of the North, his person, made by his party who kicked troubles which now threaten the peace of draw as the candidate for re election. the country, has mainly grown out of the he-more included and traitorous politicians. Cass our Minister at Rome.

But, we have now arrived at a point Marshal of the Western Dis-

to our country. And how shall it be county, as we apprised the readers of the Representative Districts, as it finally passed surrounding counties, that the prisoner, arrested? The most obvious method, is a Columbia Demotrat, a fortnight since, has the Legislature. Politically speaking, it McKim, now under sentence of death, Bloomsburg, May 30, 1857. return to the friendly social relations with been appointed to the Marshalship of the is considered a fair bill for the Democrats, after his conviction refused to cat, and before and during the Revolution. Let Campbell has long been known as an ar- vote as they did at the last general election, This is simply not true—he has been up us cultivate amity and good will with our dent De necrat and a warm friend of Mr. it will give our party the Senate by one under the pressure of circumstances with Southern brethren. They are made of the Buchanan. He was a member of the majority and fifty-three members of the great fortitude, and we take this early opsame flesh and blood as we are. A MAP OF COLUMBIA AND MON-

SENATE.

Monday, May 18.

Senate met at 3 o'clock P. M.

The SPEAKER laid before the Senate a communication from the Canal Commissioners, transmitting a communicatio from Wm. R. Maffit, Superintendent of the North Branch canal, relative to a break in the Upper North Branch canal, as follows:

Pailadelphia, May 15, 1857.

To the Board of Canal Commissioners—Generated of Canal Commissioners—Generated of Canal Commissioners—Generated and the Upper North Branch has taken away 315 feet in length of the Horse Race dam. which allows the whole of the water of the river to pass through it. Consequently, the Upper North branch canal cannot be brought into use until the dam is repaired.
